

Prayer for the Tsunami Victims

Lord God, have mercy on all those who suffer in this natural disaster. Welcome all deceased into your eternal peace. Heal those who are hurt, and suffer. Comfort those who mourn. Help those in need of the reconstruction of their homes.

(silent prayer)

Lord God, enable us to support and to love each other. Help us realize your will in all uncertainties. Help us relieve the victims; wipe away tears of sorrow, and cherish life, your divine gift. We ask this through Christ, our Lord. Amen.

Our Lady of Sorrows, pray for us.

Imprimatur: Most Rev. Joseph Zen, Bishop of Hong Kong, 30 December 2004
